CHILD & ADOLESCENT-FOCUSED
Postdoctoral Fellows and Advanced Practicum Students (PsyD/PhD)

Celebrating 25 Years

For more than 25 years, Westhampton Family Psychologists has served the greater Richmond community through integrated psychotherapy, psychological testing, and family-centered care. We are proud to offer high-quality clinical training experiences for doctoral-level psychology trainees seeking depth of supervision, diverse clinical exposure, and meaningful professional mentorship.

Training the next generation of psychologists

- **Engage in outpatient psychotherapy serving children, adolescents, and families**
- **Train in comprehensive psychological and educational assessment**
- **Receive complimentary supervision from leading professionals**
- **Potential to transition into an ongoing clinical role following training**

Flexible and meaningful work

- **Hybrid in-person and telehealth options**
- **Full administrative support including operations and billing**
- **Enjoy consistent referrals from an established community practice**

Please note: This is a 1099 independent contractor role. That means you'll enjoy flexibility and autonomy, but the position does not include W-2 employment status, benefits, or employer-sponsored taxes.

WFP is proud to provide inclusive healthcare for all identities.
